Summer Splash

Relax... We have everything you need

FOR THE BEACH, THE LAKE OR THE POOL – wherever the hot sun shines – these are your summer essentials. We have more brands and more options than ever before, in-store and online. The new season's trends speak for themselves – vibrant colours and bold patterns everywhere, from animal and floral prints to abstracts and novelties. From a distance, some look like a mosaic, but get up close and they turn out to be ice cream cones, lobsters or pineapples.

If golf's your game, check out the luxurious softness of Bugatchi's pure-cotton golf shirts. Or consider BOSS Green's latest technology: supremely comfortable polos in a cotton that wicks away moisture and offers integrated UV protection. Sport shirts with long or short sleeves, T-shirts, shorts and bathing suits, linen pants and golf wear... Have fun this summer!
